To,

Neeraj Koshiyari

Ref. No: UW-24_1000009

Intern ID: 1000009

Dear Intern,

We are excited to offer you the position of C++ Engineer for a 2-month internship under the SRON's contributors program of Unite Wings. Your skills and passion for coding have impressed us, and we believe you will contribute significantly to our team.

Position: C++ Engineer
Duration: 2 months
Start Date: July 01, 2024
Supervisor: Saksham Joshi

Job Responsibilities:

- Conduct thorough testing of the SRON coding language to identify bugs and potential improvements.
- Report and document any bugs, issues, or suggestions for enhancements.
- Collaborate with the development team to address and resolve identified issues.
- Provide feedback on user experience and functionality.
- Participate in regular team meetings to discuss progress and findings.

Perks and Benefits:

- Certificate upon successful completion of the internship
- Certificate of Appreciation for outstanding contributions
- Letter of Recommendation from SRON
- Skill endorsement on LinkedIn by our team
- 90% discount on Unite Wings career growth services
- Referral of internships and job opportunities within Unite Wings and its partner companies

We are confident in your ability to excel and contribute to the project. Feel free to ask questions or seek clarification from your supervisor. Welcome to the team! We are excited to work with you during your internship.

Best Regards,

Saksham Joshi
